

**CURRICULUM VITAE (CVA)**

**IMPORTANT – The Curriculum Vitae cannot exceed 4 pages. Instructions to fill this document are available in the website.**

<b>Part A. PERSONAL INFORMATION</b>		<b>CV date</b>	24/11/2021
First name	Pedro Vicente		
Family name	Munuera-Martínez		
e-mail	pmuuera@us.es	URL Web	

**A.1. Current position**

Position	Full Professor		
Initial date	27/10/2017		
Institution	University of Seville		
Department/Center	Podiatry	Faculty of Nursing, Physiotherapy and Podiatry	
Country	Spain	Teleph. number	
Key words			

**A.2. Previous positions (research activity interruptions, art. 14.2.b))**

Period	Position/Institution/Country/Interruption cause
23/11/1999 - 22/06/2005	Associate professor / University of Seville / Spain / Contractual change
23/06/2005 – 09/06/2008	Collaborator Lecturer / University of Seville / Spain / Contractual change
01/06/2008 – 26/10/2017	Ph.D Contracted Lecturer / University of Seville / Spain / Contractual change
27/10/2017 – today	Full Professor / University of Seville / Spain / --
24/06/2009 – 03/11/ 2011	Director of the Podiatry Clinical Area / University of Seville / Spain / Change of charge
04/11/2011 – 26/02/2020	Director of the Department of Podiatry / University of Seville / Spain / Change of charge
28/02/2020 - today	Academic Secretary of the Department of Podiatry / University of Seville / Spain / Change of charge

**A.3. Education**

PhD, Licensed, Graduate	University/Country	Year
Degree in Podiatry	University of Seville / Spain	1998
Licensed in Podiatry	Escola Superior de Saúde do Vale do Sousa / Portugal	2002
PhD	University of Seville / Spain	2006

## Part B. CV SUMMARY (max. 5000 characters, including spaces)

### DEGREE:

Degree in Podiatry (3 years), University of Seville (1998). Degree in Podiatry (fourth year) Escola Superior de Saúde do Vale de Sousa, CESPU (Portugal, 2002). Ph.D in the University of Seville (2006).

### TEACHING EXPERIENCE:

Lecturer at the University of Seville since 1999. Currently, Full Professor at the Department of Podiatry, University of Seville.

### RESEARCH EXPERIENCE:

More than 140 papers in scientific journals (57 in JCR journals). Four book chapters and one full book. Two 6-year research periods recognized.

Director of 23 doctoral theses with the highest marks. This experience has contributed to young researchers training, generating innovative knowledge in the podiatric professional and scientific field.

### TRANSFER EXPERIENCE:

Six utility models and one national patent with commercial exploitation, which has contributed to improve quantitative data in physical examination of the foot.

### MANAGEMENT EXPERIENCE:

Director of the Clinical Podiatric Area, University of Seville (2009-2011).

Director of the Department of Podiatry, University of Seville (2011-2020).

Currently, Academic Secretary of the Department of Podiatry, University of Seville.

The acquired experience in administrative and institutional management will be of great usefulness for managing this project.

One of my main research fields has been the first ray of the foot, which has given rise to some international papers, oral presentations, doctoral theses and one patent (a first ray measurement device) which has improved data acquisition in physical examination of the foot. The other main research field has been the effectiveness of orthotic treatment of different foot and musculoskeletal diseases (toeing-in gait, patellofemoral syndrome, low back pain, rheumatoid arthritis, Ehlers-Danlos syndrome, etc), which has generated great experience to be employed in the present project, and has contributed to improve patients assistance and their quality of life. Also, participation as director of 23 doctoral theses has generated great experience that will contribute to teach young researchers during the period in which this project is active. I has been a member of the Academic Commission of University Master of the Faculty of Nursing, Physiotherapy and Podiatry for several years. Currently, I am also a professor, as well as a member of the Academic Committee, of the Doctoral Program on Health Sciences of the Universities of Seville and Jaén.

### RESEARCHER PROFILES:

ORCID: [0000-0001-5708-4178](https://orcid.org/0000-0001-5708-4178); ResearcherID: [A-5808-2012](https://pubs.rsos.royalsocietypublishing.org/author/A-5808-2012); Scopus: [14013368700](https://scopus.com/authid/detail.url?authorID=14013368700); Google Scholar: [GgRoQegAAAAJ](https://scholar.google.com/citations?user=GgRoQegAAAAJ)

## C.2. Congress

Invited conference: Munuera-Martínez, Pedro Vicente. *Efectividad de las ortesis plantares en las patologías más frecuentes del pie*. Congreso Internacional de Actualización Podológica, de la Sociedad Mexicana de Podología Médica AC. November 2020. Guadalajara (México).

Invited conference: Munuera-Martínez, Pedro Vicente. *Tratamiento ortopodológico en patologías del primer radio del pie*. Congreso Internacional de Actualización Podológica, de la Sociedad Mexicana de Podología Médica AC. November 2020. Guadalajara (México).

Invited conference: Munuera-Martínez, Pedro Vicente. *A new device to easily measure the first ray mobility*. European Network of Podiatry in Higher Education ENPODHE. September 2020. Málaga (Spain).

Oral presentation: Munuera-Martínez, Pedro Vicente. *Sesamoideo tibial bipartito relacionado con el HAV en la infancia*. I Jornadas de Biomecánica y Ortopodología de la Sociedad Española de Biomecánica y Ortopodología. September 2019. Córdoba (Spain).

Oral presentation: Munuera-Martínez, Pedro Vicente. *Sigo siendo el Rey: Patología del primer radio. Mesa de debate en formato pecha kucha*. 49 Congreso Nacional de Podología. October 2018. Santiago de Compostela (Spain).

Invited conference: Munuera-Martínez, Pedro Vicente. *The size of the first metatarso-digital segment in feet with hallux valgus and hallux limitus in initial phase*. European Network of Podiatry in Higher Education ENPODHE. March 2015. Málaga (Spain).

### **C.3. Research projects**

#### Research project

- Title: “*Mapa de Recursos de las Enfermedades Reumáticas y Enfermedades Músculo esqueléticas en España (ReumAPPa)*”.
- Personal contribution: Member of the research team.
- Financing entity: Liga Reumatológica Española. This Project received an award from the Sociedad Española de Reumatología (SER) in 2014, 8000 euros as an award for the first project within the framework of Aid to Patient Associations to improve the quality of life of rheumatic patients (Available at: [www.reumappa.es](http://www.reumappa.es)).
- Time: 2015.
- Principal investigator: Dra. Milena Gobbo Montoya.

#### Research project

- Title: “Educational needs of health professionals working in rheumatology in Europe”.
- Personal contribution: Member of the research team.
- Financing entity: European League Against Rheumatism (EULAR).
- Time: January 2014 to November de 2016.
- Principal investigator: Dra. Christina Helging Opava (Karolinska Institutet, Sweden).

### **C.4. Contracts, technological or transfer merits**

#### Patent

- Authors: Munuera-Martínez, Pedro Vicente (40%); Ramos-Ortega, Javier (35%); Castillo-López, José Manuel (5%); Domínguez-Maldonado, Gabriel (5%); Palomo-Toucedo, Inmaculada Concepción (5%); Lafuente-Sotillos, Guillermo (5%); Gómez-Carrión, Álvaro (5%)
- Reference: P 201500721
- Invention title: “Dispositivo de metacrilato con escala milimetrada para medir la movilidad del primer y quinto radios del pie en carga y en descarga”. Link: <http://consultas2.oepm.es/ceo/jsp/busqueda/consultaExterna.xhtml?numExp=P201500721>
- Country: Spain.
- Date: 29-03-2017
- Titular entity: University of Seville
- In operation by: Fresco Podología S.L. (<https://podologia.fresco.es/medidor-primer-radio>)
